Skills

Passionate about creating innovative web applications, with over 4+ years of experience in creating beautiful, functional, and user-friendly web applications. With a strong foundation in web technologies and a keen eye for design, I strive to build responsive, accessible, and user-friendly web applications. My journey into web development began with a deep fascination for how websites are built and the immense creativity involved in designing them. Let's build the future website together!

Education

Bachelor Degree From Department of Computer Science.
From September 2018 to September 2022 [Unity University](#) Adama, OR, Ethiopia

Work experience

- Front end developer**
From June 2024 to July 2024 [Tigat](#) Addis Ababa
